beautiful and well dressed, she is, the perfect partner. But they don't know that maybe, hiding behind her perfect appearance is their worst nightmare.

Maybe this has happened to you too. After you began a relationship with a woman, you found out that she is not exactly what you want and what you expect.

Many men have chased after a woman who has lied them and used them. In order to stop this, you should know from the beginning which types of women you should avoid.

Desperate woman

She is the type of the woman who has all her life laid out. She is looking for a perfect life, and suddenly she realizes that she is getting older, and she is not married yet, because she hasn't met the perfect man for her

She wants desperately to get married no matter who the guy is or what he does.

She is pressed by the time and is ready to marry any man as long as he is marriage material.

Remember, if you marry one of this, you have to spend the rest of your life with her

Materialistic woman

She usually is good looking and well dressed. She will spend you into the poor house. Very high maintenance.

This type of woman, expects that a man should finance her entire life just because she is biologically female

She is very friendly, and nice at the beginning but after some time you'll see that no matter how much you give her, she wants more

She is greed personified

She is interested only in what she wants, and not others feel. Stay away from this kind of woman, because she will dump you, after she has spent all of your money.

Angry woman

She is the type of the woman, who sees life like a battle

Anything that is happening, or is said to her is seen as a insult.

She usually, also a bad opinion about men, and sees only the wrong sides of a man.

She is always upset and angry.

Usually she likes to take "out of context" everything that is said to her, and interprets the words like she wants.

You don't have any future with her, she has a simmering anger at men which can explode at any moment

Insecure woman

She is very nice and treats men very well, but she suffers frustration by everything.

She is wracked by anxiety about making the wrong decision, and is left thinking twice about what to do, what to wear, where to go, what to eat.

This is a woman that, needs constant reassurance that she's attractive and worries incessantly

Stupid woman

This type of woman that likes to speak a lot but she doesn't say anything intelligent.

She likes to gossip about the others, but when you want to talk about something important with her, she is not able to make conversation.

Uptown woman

This woman is very rich, everything she has is better than yours, and she wants to make sure that you know it.

She only dates the best of best. This woman is entirely focused on herself

She is very selfish, and self-indulgent. Usually growing up as "daddy's little girl".

She needs to be constant center of attention no matter what she does or where she goes.

Childish woman

Everything in life hurts this kind of woman.

She is the type of woman who cries a lot, every innocent comment or criticism will upset her.

AVOID this kind of woman because if you are dating one you will have to spend all of your time apologizing, even if you didn't make any mistake.

AVOID a long term relationship with her, because she is capable of suicide if you want to leave her, and all the blame will be thrown on yourself.

Elusive woman

She is the type of woman who is afraid to start a relationship.

She may have been hurt in a past relationship, and so subconsciously avoids or sabotages new relationships in the present.

She will seem interested at the beginning but after a while she runs away.

She is the type of woman who likes to send mixed messages so you'll never understand her

Talk

There is a big difference between somebody who is able to make good conversation, and have sense of humor, and

somebody who always has to make a comment about everything.

This type of woman is very hard to please, and always has something to say about everything that is happening or being said around her.

Romantic woman

This woman lives in her own world, of movies and romance novels.

She is very dreamy, imagining things, expecting Prince Charming to come after her.

She doesn't know how the real world is. She has grown up with the idea that she is a princess.

Dragger woman

This kind of woman will always make you feel bad, even there is no reason to feel that way.

She is always worrying, and she can never be happy. Everything around her is a total drag

Even if something wonderful happens to you, she

will make you feel like it was the worst thing that could ever happen.

Controlling woman

She likes to have the total control in your relationship, and over you too.

She wants to control you in everything you do, you wear or eat.

If you try to control her too, she will get angry, cry, scream or use any deceptive female tactic until you give up.

Flirt

This woman flirts with anybody, and will flaunt her sexuality at every opportunity.

She does have a big power of attraction, and will use it.

She will dump you in any moment, if she feels somebody better has come along.

All these types of women you should avoid

Remember these 13 types of toxic women and make a better choice about your next girlfriend. But remember, that not all women are the same. Maybe there is a good caring woman just for you,

somewhere.
